

Attractive exterior styling adds class to this tri-level design. The main floor features a large entry foyer, a very comfortable living room with casement windows, spacious dining area and a chef's dream kitchen with plenty of warm oak cabinetry and a cozy breakfast bar. The three large bedrooms upstairs all have ample closet space, and the master bedroom features a private entry to the full bath. The lower level offers potential for additional living space, and can be finished at your convenience.
